Dear Parents and Guardians,

Monday, January 14th is our 100th Day of School. We are hoping that all students will participate and dress as if they are 100 years old to help celebrate this milestone in the year.

It was great to see a full gym this morning for both of the Awards Assemblies. I want to personally thank every family for your support with your children!

Students need to enter through the double gates in the morning until 8:00 am. The office is not an entrance. In the afternoon only kindergarten students will exit through the office. All others will exit with their teachers and line up out front. The office is not an exit at dismissal. Additionally, we are noticing a significant increase of parents picking students up early on Fridays. Unless you have a reason other than wanting to avoid the end of the day traffic, we respectfully ask that you not pick up early. The office has been somewhat inundated with requests to find students who are at lunch or recess and difficult to locate, making the end of the day unnecessarily busy.

Intramural basketball has been pushed back to a February start date. As it gets closer we will send out sign-up information.
