Dear Pathway Family,

I am happy to report that the majority of AzMerit testing was completed last week. Our students were focused and teachers did a fantastic job keeping students on task. It is always a challenge to manage the AzMerit schedule while keeping early finishers occupied. This week our 8th and 10th grade students will be completing AIMS Science testing and this will bring a close to our 2018/2019 state testing. Now we move forward with our end of year activities and ceremonies. There are a lot of important dates right around the corner!

- **APRIL 9th- CHIPOTLE FUNDRAISER** Make dinner a selfless act by joining us for a fundraiser to support Sequoia Pathway PTO!!. Come in to the Chipotle at 21423 N. John Wayne Pkwy in Maricopa on Tuesday, April 9th between 5:00pm and 9:00pm. Bring in this flyer, show it on your smartphone or tell the cashier you're supporting the cause to make sure that 33% of the proceeds will be donated to Sequoia Pathway PTO.
- **APRIL 15th- GCU Fieldtrip**- HS students have the opportunity to tour the campus and learn more about GCU's college offerings.
- **APRIL 16th-18th- ENGINEERING WEEK**- Activities and guest speakers on campus this week to expose students to careers and opportunities in the area of engineering. Students in each grade level will be competing in the design and creation of various engineering projects culminating with a competition on Thursday.
